A time for change

- Executive Director
 - ALWAYS have more than one person on the Board who is looking at the original bank statements
- Move towards electronic
- Website
- Transparency
- Responsibilities of Board Members
 - Ask questions, no matter how trivial they may seem
 - If something doesn't seem quite right, follow your instinct, act now!

Looking to the future

- Association Headquarters
- Young Professionals
- Generational differences
- Board size
- Keeping the state associations close to the national association

- First Man
 - Logistics and transportation
- Friends, co-workers

Some considerations if you are called on to be an officer

- Experience on the Board is helpful
- Employer's blessing
- Employee's blessing
- Funding
- Time
- Electronic advances have changed the way Boards do business
- I've never known a past president who said....

Life after being a President
