

GOD, IN HIS WISDOM, MADE THE FLY,

AND THEN FORGOT TO TELL US WHY

Nancy C. Hinkle, Ph.D.

Medical-Veterinary Entomology

Dept. of Entomology, UGA, Athens

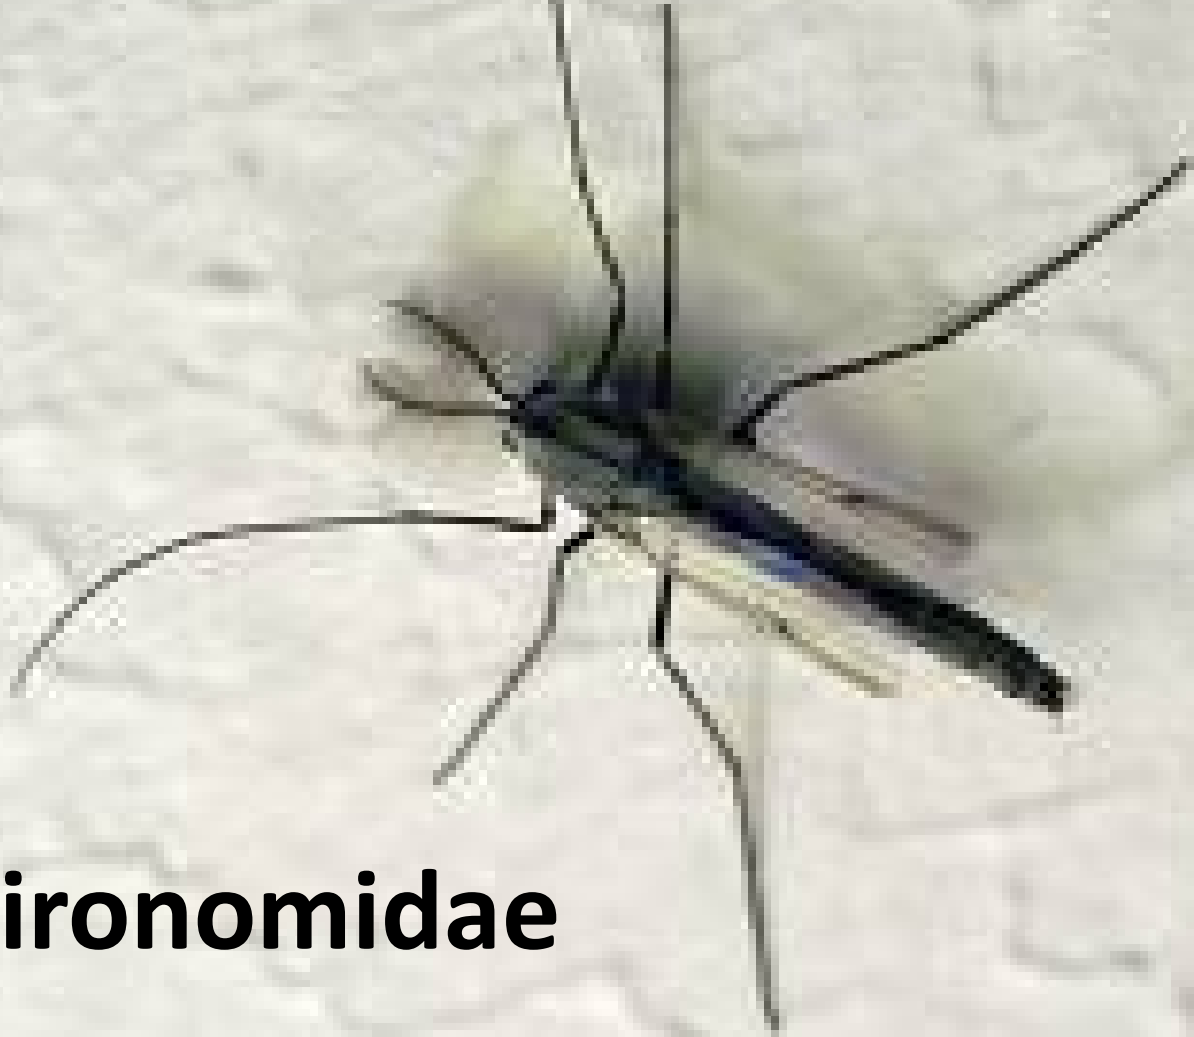

Flies are the original recyclers, biodegrading and nutrient-capturing

Crane Fly

Non-Biting Midge

Chironomidae

New World Screwworm killed millions of animals (livestock and wildlife) before its eradication from North America
